Re: *Fall To Worship* 2010 Community Outreach Event, Lakeview Park, Nampa

Dear Friends of Fall to Worship,

F2W3, the third annual *Fall to Worship* community concert event, will be held at the **Lakeview Park amphitheater in Nampa, Idaho, from 3:00 PM to 8:00 PM on Saturday, September 18th**. It is a **free**, outreaching, God-centered worship music event intended not only to bring believers together, but also to reach out through music to those who don't know our Lord. The event will provide a platform for local organizations to present their mission to the community while feeding people both spiritually and physically.

Last year's program featured recording artist Jesse Shuster as the headline act. Contributions from between 750 and 1,000 attendees were donated to the Boise Rescue Mission to provide meals for the homeless. This year, Boise Rescue Mission is serving over 1,000 meals per day to the homeless and hungry in the Treasure Valley. Proceeds from f2w3 will go directly to serving those in need in our community.

Sponsorship/Contributions

We would be grateful for your help. This event could not be realized without the help and prayers of our sponsors and volunteers. The goal of offering a free event stems from the desire to include everyone in the community. Your dollar contributions directly offset expenses for the non-profit event. Your generous sponsorship would be highlighted by:

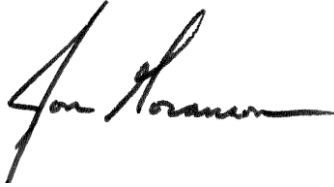

- Your family or organization's name in promotional materials for the event
- Links to your organization from the Fall to Worship web site and recognition of partnership
- Your sponsorship recognized during the event
- An opportunity to participate at the event with a booth for your organization
- Opportunity to place signage/banners recognizing your organization at the event

This event is a great opportunity to meet and greet people from within this community. We would love for you to attend!!

We thank you for your time and your willingness to consider a way in which you can help with this outreach. You may contact us via email at contactus@f2widaho.org or call any one of the committee members at the phone
